

Battle of Sacriportus 82 BC

2mm "Age of Hannibal" Scenario

History: Little detail of this battle is actually known. Part of a Roman Civil War between two opposing factions.

Deployment: The bases for my 2mm ancients are 25mm square, so the table size is roughly 3'x2'. Use card system to set up table.

Game Length: No turn limit, play until one side breaks. Start morale clock at 8 for both sides instead of 9. Penalties start at rating 3 instead of 4.
